**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to have Comcast internet, but it was unstable and unreliable. This is a personal account, but the disruptions affected my professional life as well (interrupting meetings when I was telecommuting, etc.).

I switched to Sonic two years ago. The service is 4 times faster, twice as cheap, and completely stable and reliable.

Sonic is not one of the major providers that have been lobbying you, and I do not want the service to go away or become more expensive due to uncompetitive actions by Comcast, At&t, or other monopolies.
